

BELVEDERE 21 PUBLIC PROGRAM: Joint Ventures 2021
QUEERING THE BELVEDERE
Friday, 11 June through Thursday, 24 June 2021

During June *Pride Month*, events take place across the globe not only to honor those who lost their lives fighting for the rights of queer people but also to promote a commitment against homophobia and advocacy for a diverse society.

Raising the rainbow flag on public institutions and buildings is a broad expression of solidarity with the queer community and its demands. During *Pride Month* in June, the Belvedere sends a message supporting diversity, tolerance, and respect for people of all backgrounds: The raising of the rainbow flags in front of various museum sites, the art education's thematic focus, and the *Queering the Belvedere* program at the Belvedere 21 demonstrate the museum's commitment to open-mindedness and inclusion.

Performances, readings, concerts, film screenings, presentations, and talks will take place outdoors in the sculpture garden of the Belvedere 21 at no charge.

Curators: Christiane Erharter and Claudia Slanar
