

belvedere

One of Europe's most stunning Baroque landmarks, this ensemble – comprising the Upper and Lower Belvedere and an extensive garden – is listed as a UNESCO World Heritage Site. Today the Belvedere houses the greatest collection of Austrian art dating from the Middle Ages to the present day, complemented by the work of international artists. Highlights from the holdings Vienna 1880–1914 are the world's largest collection of Gustav Klimt's paintings (including the famous golden Art Nouveau icons the Kiss (Lovers) and Judith) and works by Egon Schiele and Oskar Kokoschka.
